6. Reports:
  - a. Chair Laverne Tsosie - We went to Coalmine Chapter public hearing. They had QR code for their CLUPC book. One paper was passed out to write comments, questions by the public. They did a resolution to get audited. Action item for Calvin Begay is to look into all grazing permits. If you can get with Stanford Fowler to get a list of Grazing/ livestock/ land information for CLUPC. You are an asset to this area. Also, Northwestern Pipeline. What is the status and update? Any information you know about Northwestern Pipeline give us the contact info. Action item for Wilford Lane to provide more information and map on Range M unit. Cemetery subject can be talked about, should we get a cementary or not, the AARPA money should be used for homes. Im going to look into QR code for the CLUPC book. Also, I will make myself action item to figure out where all medical transport's routes are. Including Helping Hands route on N20. All the transports schedules. Action item for Calvin Begay is to look into all grazing permits. Cindy- you are responsible for our stipend checks and meeting minutes. We need to get all business

's information that are within Coppermine area RBDO.

B. Vice Chair: We need all the resolutions for all the roads in Coppermine area in the book. Make one of the goals to do.
